## Project

### The View & Location

Above the unique bay of Naousa, a complex of Villas unfolds amphitheatrically, offering unobstructed views of the famous Monastiria and Kolymbithres beaches. The elevated position of the property allows for views extending as far as Delos and Mykonos. The location is just 900 meters from Naousa and 700 meters from the sea.

# White Shades

## Project

### 2D Plan View

In the 2D architectural design of the villas, the primary considerations were to ensure that each residence enjoys an unobstructed sea view, unquestionable privacy, flawless functionality, and a design that guarantees relaxation in every detail.

## Project

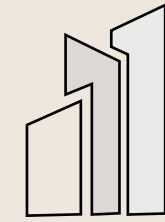

### 3D Plan View

In the 3D architectural design, our primary concern was to preserve the island's architectural tradition, while seamlessly integrating every modern necessity in a way that unfolds naturally through everyday living.

## Project

### 3D Entrance View

At the rear of the plot are the main entrances to the villas, which are so harmoniously integrated into the surrounding landscape that the entire development resembles a small settlement. Nevertheless, the boundaries are clearly defined, ensuring the privacy of each residence.
